2 BIRDS IN THE HAND

**If one bird in the hand is worth two in the bush ...
Our two sources are invaluable
... and right at your fingertips.**

For current thought and research in sociology and the social sciences, consult

sociological abstracts (sa)
and
Social Planning/Policy & Development Abstracts (SOPODA)

Abstracts of articles, books and conference papers from more than 2,500 journals published in 35 countries; citations of relevant dissertations and book and other media reviews.

Comprehensive, cost-effective, timely.

Available in print, online, on the **sociofile** CD-ROM and on magnetic tape. Our Web site, **http://www.socabs.org**, features the *Note Us* newsletter; information on support services and document delivery; links to relevant sites; and the SAI Web Search Service offering reasonably priced subscriptions to two subsets: Marriage and Family Issues & Law, Crime and Penology.
